**WE CAN** *taste it!*

**DISPOSABLE MENUS** are one of the best ways to stop the spread of germs in your restaurant.

**WE ARE OFFERING** highly discounted pricing for disposable menus during the COVID-1 Pandemic and it's aftermath

These single-use menus are cost-effective, can be bought in bulk and recycled after each use.

They come with a number of useful features: full color photos, logos and graphics and complete menu item descriptions.

Let us help you recreate a placemat style version of your menu today.
