

Lulu

Radio Show Host 92.1 WCTQ

Lulu is the morning radio show co host on 92.1 WCTQ on the "Maverick and Lulu," show. Lulu has been in radio for 23 years with successful shows in Nashville and Cleveland before joining WCTQ in 2011. Her ties to Sarasota began in 1990 when her parents, Lenny and Fran, relocated from Cleveland.

Lulu has passion for her community and volunteers with The Alzheimer's Association emceeing their local walks, and events. She also has a personal reason for her participation. Lulu lost her father, Lenny, to this horrific disease and organizes side events to raise awareness and funds to fight Alzheimer's.

Lulu is on the board for the local charity event for St. Jude, Foodosophy, and also emcees the annual event. Lulu is involved with The American Cancer Society participating as an emcee and walking in "Making Strides Against Breast Cancer", and she never got to meet her grandmother due to breast cancer. Lulu also volunteers with Turning Points, who's mission is to end homelessness. As a proud supporter of our military Lulu volunteers with Wreaths Across America. Both of Lulu's parents are resting at the Sarasota National Cemetery.

Throughout her career Lulu has been involved with many charitable organizations and strongly believes in community service. Lulu received the SRQ Women in Business award to enter the SRQ Leadership Circle 2018.
