\* Warning\* There is a risk associated with eating raw oysters or any raw animal protein. If you have chronic illness of the liver, stomach or blood, or have immune disorders, you are at greater risk of serious illness from raw oysters or clams and should only eat these items fully cooked. If you are unsure of risk consult your physician.

# SIESTA KEY OYSTER BAR

"Jack Daddy" retires to Sarasota. His daughters Jill and Beth, along with their families, were soon to follow. Once Jill found out Siesta Key Oyster Bar was for sale, it didn't take much to convince her sister and brother-in-law to join her quest to possess the true family beach bar. SKOB was purchased by "The Family" in November of 2003. The family has grown beyond Jill, Geno, Beth and Keith; we consider you, our customer, part of the family. Come in and join us.
